Pres. John M. Thomas,

Middlebury, Vt.

My dear Pres. Thomas;

I have just received here  
your letter of May 15th with the enclosed letter  
of Governor Mead. I congratulate you heartily on  
this fine gift which will be a beautiful memorial  
and a most needed and welcome addition to our  
buildings. ~~If I knew his address I would write~~  
~~Governor Mead a letter of thanks.~~ His most  
interesting letter with its details of early  
history should be framed and hung in the chapel -  
and also put in the box of the corner stone.

With renewed congratulations,

Yours truly,

M. Allen Starr
